Mumia is Innocent!

On Thursday May 17th, arguments will be heard in U.S. federal court in Philadelphia in what could be the last appeal of activist/journalist Mumia Abu-Jamal. The evidence shows that Mumia Abu-Jamal is an innocent man! He has been on death row in Pennsylvania for 25 years, the victim of a police and prosecutorial frame-up and a racist judge. The man known as the "Voice of the Voiceless" has continued to champion the poor and oppressed through his writing and broadcasting from prison.
