

Newark Shows Need:

ORGANIZE

BLACK POWER!

Big, violent, elemental outbursts against brutal police and cheating merchants show that talk of improved conditions for Black people is a lie. Things are getting worse despite what preachers and politicians say.

A turn must be made. Sure, it feels good to break loose against oppression. And Gov. Hughes shows himself an enemy of Negroes when he says he is most disturbed by the "holiday atmosphere" in the exploding Black Ghetto. But when it's all over, only some piddling junk has been taken home from crummy stores. And many have been hurt and killed and all the old ways go on.

Meanwhile the cops got their kicks: they like smashing Black heads and gunning down Negroes. Hughes combined a race slur with a lie when he said, "The line between the jungle and the law might as well be drawn in Newark." The law of white racist, capitalist America is the law of the jungle; the cops and troops are the predatory enforcers and the workers, especially Negroes, are the victims. A turn must be made.

Where to Start

1. Stop voting in fake "liberals" like Gov. Hughes, Mayor Addonizio and their "Democratic" party of the racist ruling class. No support to Black Republicans or Democrats either.
2. Build Independent Black Political Power--begin revolutionary change; start taking over control in the Ghettoes. Lay the basis for a Freedom Labor Party.
3. Defend the Black Ghettoes--every serious and responsible workingman should exercise his right to own a gun.
